Re: SCHOOL PICTURE DAY AT DANTE

Dear Parents,

Your child will be photographed on Wednesday, October 5th. All students must be dressed in their Dante School uniform.

This is a service that the school provides for the parents. You are not under any obligation to purchase the photos once you receive the package. Life Touch will take the individual and class picture; if you are not satisfied simply return the package. The class picture is yours to keep even if you do not purchase an individual package.

Retakes, at a later date, will only be available for students who were absent or whose eyes were closed in the poses.

Thank you,

Ida Pisano
Principal
