Dear Parents and Students of Dante School,

I am pleased to be your new principal. I hope you all enjoyed a safe and healthy summer holiday and that you are all re-energized and eager to be back at school.

Our main focus at Dante School is to help students develop self-esteem and self-reliance. With this help, it is our hope that they will grow academically and socially to become successful, caring and responsible human beings. The personnel at Dante School is dedicated to providing a high quality educational program which encourages all students to work diligently, play safely, and always do their best.

We strongly believe that you, the parents, along with staff and administration are key partners in ensuring that your child(ren) feels valued and in turn, values education. We ask that you take the time to read the updated students agenda carefully and to discuss the content with your child(ren).

As we are a Brundtland School, we would like to continue with our environmental projects and introduce paperless memos. All memos will be posted on our website www.danteschool.ca, and a notice will be placed in your child's agenda to visit our website for the new memo. Please note that you will receive a hard copy of any memos that request a return coupon.

If you cannot access our website and prefer receiving a hard copy, please fill out the coupon below and your child's teacher will ensure that you receive the memo.

Wishing you a fulfilling school year! We look forward to meeting you on Information Night on Wednesday, September 8th, 2010. We will also be having our General Assembly for Governing Board on September 8th.

Sincerely,

Ida Pisano
Principal
