February 10, 2012

Dear Parents,

In keeping you in the loop with the events taking place at Dante School during the following weeks, we will be celebrating Valentine's Day on Tuesday, February 14. The children may wear a red, pink or white top for that day yet this is not a dress down day and they must wear their blue bottoms and school shoes. On behalf of the entire Dante staff, we would ask that you refrain from sending in goodies/chocolates to your child's classmates. Some children have severe allergies, therefore; we do not want food to be shared.

HAPPY VALENTINE'S DAY

On February 15, the children participating in the Science Fair will be able to set up their projects from 5:30-6:30 pm. The students who need an electrical outlet are asked to bring an extension. On February 16, we will be hosting our Annual Science Fair 2012. Our little Scientists will be discussing their projects all day for their peers and from 7:00-8:00 pm, their family and friends are welcomed to visit our Science Fair.

During the week of February 13-17, it is Teacher /Staff Appreciation week; we will take this week to honor our Dante Staff for their great dedication to their profession. Their efforts are recognized and valued not only this week but all year long. Thank you.

Yours Truly,

Ida Pisano
Principal
