Dear Kindergarten Parents,

The Kindergarten children will be writing a letter to Santa next week, with the collaboration of the older students. We will be going to the Post Office in the beginning of December to mail this letter.

We will need 2 parent volunteers to accompany the class on our walk to the post office on Jean Talon and Valdombre.

Please fill out the coupon below and return it to school as soon as possible if you wish to accompany your child's class. We will inform you through the agenda the day and time this activity will take place and if you have been chosen to help out.

Thank you for your cooperation.
