Dear Parents,

Since we have been accredited to being a Brundtland School, we take much pride in that. We initiated paperless memos last year and it was successful. We will continue with this initiative once again this year. What does this mean? When there is information that must be communicated to the parents, your child will have a note in the agenda informing you to visit our website www.danteschool.ca for a memo. If we need to send a memo in which a portion of the form must be returned to the school, we will then send you a hard copy.

Should you prefer to receive a hard copy of all memos, please fill in the bottom portion indicating you would like a hard copy. If you have more than one child in the school, please make sure you only fill this form for one child.

Thanking you in advance for cooperating with us in helping us continue to be a green school.

Regards,

Ida Pisano

Principal
